Seyed Hamid Hosseini

Iran
Tehran , Heravi
09044528184
iamhamidhosseini@gmail.com

Date of Birth: June 2, 2005

Gender: Male

Marital Status: Single

About me

I am passionate about programming and actively developing my skills in various domains, including **.NET development**, **data analysis**, and **cybersecurity**. I have experience working with several programming languages such as **Python**, **Java**, and **C#**, and I enjoy exploring new technologies across both software and hardware fields. In addition to software development, I also have an interest in **electronics**, which allows me to approach problems with a broader technical perspective. I am committed to continuous learning and staying up to date with the latest tools and best practices in the tech industry.

SKILLS

C#

ASP.NET

Python

C/C++

Java

SQL

EXPERIENCE

Cybersecurity Analyst , Tehran

Panah · Full-time
Jul 2025 − Present · Hybrid · Tehran, Iran

Working on system and network security with a focus on **penetration testing**, **security analysis**, and **research**. Skilled in **Python**, **Bash**, **Java**, **C#**, **C++**, **ADB**, and **data recovery**. Experienced in **Android development**, **Windows security**, and tools like **Git**, **Docker**, and **WPF**.

AmirKabir University of Technology , Tehran — *Undergraduate Teaching Assistant*

Aug 2025 - Present

I worked as a teaching assistant for the Data Structures and Algorithms course.

AmirKabir University of Technology , Tehran — *Undergraduate Head Teaching Assistant*

Aug 2025 - Present

I worked as a teaching assistant for the Advanced Programming with Java course.

AmirKabir University of Technology , Tehran — *Undergraduate Teaching Assistant*

Aug 2025 - Present

I worked as a teaching assistant for the Operations System course.

Achievement

Rank 67 Konkur

Top Scores

Advance Programing : 20/20

Data Structure : 20/20

LANGUAGES

English : Professional working proficiency

Farsi : Native

Teacher , Tehran

Iran FIRA Regional Chapter · Part-time
Jul 2025 – Present · On-site · Tehran, Iran

Teaching electronics, robotics, and programming with a focus on Arduino, C, Java, BASIC, and circuit design using Proteus and Altium Designer. Guiding students in PCB design and hands-on engineering projects.

AmirKabir University of Technology , Tehran —
Undergraduate Teaching Assistant

Jul 2025 - Jan 2025

I worked as a teaching assistant for the Advanced Python course, where I helped students learn practical skills in areas such as OOP, SOLID principles, working with databases, and GUI development using Qt6. I also supported group projects, encouraging collaboration and effective teamwork, while guiding students through real-world coding challenges.

Backend Developer , Tehran

Nadin Soft · Part-time
Sep 2024 – Jun 2025 · Hybrid · Tehran, Iran

Developed and maintained web applications using ASP.NET, ASP.NET MVC, and ASP.NET Web API. Worked on API development, web services, and database integration using SQL Server. Applied knowledge of data structures, CSS, and general backend logic to build efficient and scalable solutions.

EDUCATION

AmirKabir University of Technology , Tehran — *Bachelor*

Present - August 2023

Achieved rank 67 in the nationwide university entrance exam (Konkur) and was admitted to Amirkabir University of Technology, one of Iran's top engineering institutions.
